Day: 1 [03/02/2024] HALL A

TIME	EVENT	TOPIC	SPEAKER
08:00 - 09:00	BREAKFAST & REGISTRATION		
09:00 - 09:20	OPENING CEREMONY		
SESSION 1: "MIND OVER MATTER" THE NEUROSCIENCES			
09:20 - 09:40	SPONSOR SESSION	What's new in the management of mild traumatic brain injury: using blood-based biomarkers	Dr Ajay Darbar Session sponsored by bioMérieux
09:40 - 10:00	GUEST LECTURE	Autoimmune diseases of the CNS: Diagnostic challenges & rewards	Dr Atulabh Vajpeyee Consultant Interventional Neurologist & Director Neurosciences Pacific Centre of Neurosciences, Pacific Medical College, Udaipur
SESSION 2: "DIL KI BAAT" THE CARDIOVASCULAR SCIENCES			
10:00 - 10:20	GUEST LECTURE	Biomarkers of cardiac ischemia: New kids on the block	Dr Eli Mohapatra Professor & HOD, Biochemistry AIIMS, Raipur
10:20-10:40	GUEST LECTURE	Hope for the failing heart: Trending biomarkers in the pipeline	Dr Mahesh Madole Professor & HOD, Biochemistry Narendra Modi Medical College Ahmedabad
10:40-11:00	GUEST LECTURE	To fast or not to fast that is the question: From the cardiac perspective	Dr Mauchumi Saikia Pathak Professor & HOD, Biochemistry Gauhati Medical College & Hospital, Guwahati
11:00 - 11:15	TEA BREAK		
SESSION 3: "SCAVENGER SQUAD" THE NEPHROLOGICAL SCIENCES			
11:15 - 11:35	GUEST LECTURE	Biochemical beacons in chronic kidney disease: Thinking beyond creatinine	Dr Ashish Sharma Professor & HOD, Biochemistry Geetanjali Medical College & Hospitals, Udaipur
11:35 - 11:55	GUEST LECTURE	Renal assault in plasma cell dyscrasias: Damage control by the lab	Dr Kalpana Singh Professor & HOD, Biochemistry KGMU, Lucknow
11:55 - 12:15	GUEST LECTURE	Undeniable role of the biochemist in the renal replacement therapy team	Dr Rosy Lekharu Professor, Biochemistry GCS Medical College, Hospital & Research Centre, Ahmedabad

SESSION 4: "DARE TO DREAM" LABS OF THE FUTURE

12:15 -12:35	SPONSOR SESSION	Artificial Intelligence and Digitalization in Laboratory	Dr Gautam Gopal Bhagwat Session sponsored by HORIBA
12:35 - 12:55	SPONSOR SESSION	In order to think big think small: emerging role of microfluidics & nanotechnology in the clinical lab	Dr Madhumita Das Session sponsored by Agappe
12:55 -13:15	SPONSOR SESSION	Clinical excellence through operational effectiveness using automation & digital technology	Dr Prachi Chhimwal Session sponsored by Roche
13:15 - 14:15	LUNCH		

SESSION 5: "MIXED BAG OF GOODIES - I"

14:15 -14:35	GUEST LECTURE	Acid-base disturbances: Acquaintance renewed with the ABCs of the ABGs	Dr Mukesh Kumar Gohel Professor, Biochemistry Smt NHL Municipal Medical College, Ahmedabad
14:35 - 14:55	SPONSOR SESSION	Emerging role of NMP22 as an advanced marker in screening for urinary bladder cancer	Dr Sayantan Dasgupta Session sponsored by Abbott Rapid Diagnostics
14:55- 15:15	SPONSOR SESSION	Quality control and patient risk management	Dr Anjali Singh Session sponsored by Bio-Rad

SESSION 6: "NUTS & BOLTS -I" LABORATORY ANALYTICS

15:15 - 15:35	GUEST LECTURE	Common endogenous interferences plaguing the clinical lab: Troubleshooting tactics	Dr Mala Mahto Additional Professor, Biochemistry AIIMS, Patna
15:35 - 16:15	PANEL DISCUSSION: Dry chemistry platforms: Potential benefits versus probable pitfalls		Moderator: Dr Rateesh Sareen Session sponsored by Quidel-Ortho- OCD
16:15 - 16:30	TEA BREAK		

SESSION 7: "QUALITY AS A WAY OF LIFE"

16:30 - 16:50	GUEST LECTURE	Impact of biological variation on biochemical assays: Withstanding the challenge	Dr Rekha Kumari Professor & HOD, Biochemistry IGIMS, Patna
16:50-17:10	GUEST LECTURE	Basic biostatistical tools in quality maintenance: How to adapt & adopt smoothly	Dr Santosh Kumar Professor, Biochemistry Nalanda Medical College, Patna
17:10- 18:30	PANEL DISCUSSION: The foreseeable impact of the ISO: 15189:2022 on laboratory quality: Are actual sea- changes in QA/QC likely?		Moderator: Dr Teresa Biswas Laboratory Director & Consultant Biochemist Bioscan Diagnostics, Guwahati
18:30 onwards	CULTURAL PROGRAM FOLLOWED BY BANQUET DINNER

08:00 - 09:00	BREAKFAST & REGISTRATION		
09:00 - 09:20	OPENING CEREMONY [HALL A]		
SESSION 1: "BLOOD IS THICKER THAN WATER" THE HEMATOLOGICAL SCIENCES			
09:20 - 09:40	GUEST LECTURE	The laboratory's comprehensive approach to anemia diagnostics:	Dr Anju Barhai Teli Professor & HOD, Biochemistry Jorhat Medical College, Jorhat
09:40 - 10:00	GUEST LECTURE	Glycosylated ferritin as an indicator of iron overload and molecular approach to hemoglobinopathies- the road less travelled	Dr Suchitra Kumari Additional Professor, Biochemistry AIIMS, Bhubaneshwar
10:00 - 10:20	GUEST LECTURE	Immunological strategies in diagnostics of acute leukemias: Current & future trends	Dr Kinjalka Ghosh Professor, Biochemistry Tata Memorial Hospital, Mumbai
SESSION 2: "EXPERIENCE IS THE BEST TEACHER"			
10:20-10:40	GUEST LECTURE	Long Covid sequelae: Are we sitting on a dormant volcano	Dr Sankar Sengupta Professor & HOD, Laboratory Medicine CNCI, Kolkata
10:40-11:00	GUEST LECTURE	Tackling of emergent conditions by the lab: How incident ready are we?	Dr Saket Verma Assistant Professor, Biochemistry Rajendra Institute of Medical Sciences, Ranchi
11:00-11:15	TEA BREAK		
SESSION 3: "MESSENGERS AS MESIAHS" THE ENDOCRINOLOGICAL SCIENCES			
11:15 - 11:35	GUEST LECTURE	Deconstructing the fine link between reproductive hormones and chromosomal aberrations	Dr Gitanjali Professor & HOD, Biochemistry AIIMS Bathinda

11:35 - 11:55	GUEST LECTURE	Hypercortisolism root cause analyses: Not always the adrenal's fault	Dr Amarpreet Kaur Assistant Professor, Biochemistry AIIMS, Gorakhpur
11:55 - 13:15	PANEL DISCUSSION: The laboratory's stake in the dissemination of awareness of newer approaches to glycemic control: Road to actual implementation by the clinic		Moderator: Dr Monica Kakkar Additional Professor, Biochemistry AIIMS Bathinda

13:15 - 14:15	LUNCH		
---------------	--------------	--	--

SESSION 4: "BALANCING ACT" THE NUTRITIONAL SCIENCES

14:15 - 14:35	GUEST LECTURE	Antioxidant supplementation in diet: Truth or hype?	Dr Shiv Prakash Rathore Associate Professor, Biochemistry Government Medical College, Kota
14:35 - 14:55	GUEST LECTURE	Red flags in Metabolic Syndrome: Nipping it in the bud	Dr Rinchu Loomba Professor & HOD, Biochemistry Christian Medical College, Ludhiana
14:55 - 15:15	GUEST LECTURE	Keto versus carbs: Where to turn at the cross-roads	Dr Swarnima Singh Associate Professor & HOD, Biochemistry Netaji Subhas Medical College & Hospital, Patna

SESSION 5: "NUTS & BOLTS -II" LABORATORY ANALYTICS

15:15 - 15:35	GUEST LECTURE	Interpreting mass spectrometry reports: Journey from novice to expert	Dr Harjeet Singh Senior Professor, Biochemistry SMS Medical College, Jaipur
15:35 - 15:55	SPONSOR SESSION	Point-of-care testing platforms: Asset or liability for the lab	Dr Rajarshi Sarkar Session sponsored by Quidel Ortho
15:55 - 16:15	GUEST LECTURE	The untold facts about FLOW and FACS: Potential weapons in the lab's arsenal	Dr Tarun Sharma Associate Professor, Pathology SN Medical College, Jodhpur
16:15 - 16:30	TEA BREAK		

SESSION 6: "MOSTLY WAR OF WORDS-I"

16:30 - 16:50	GUEST LECTURE	Ethical gray zones faced in lab practice: How to avoid stepping on the landmine	Dr Shuchi Goyal Senior Professor, Biochemistry RNT Medical College, Udaipur
---------------	----------------------	---	--

16:50 -17:10	GUEST LECTURE	Risk assessment in the lab: Better to be safe than sorry	Dr Moushumi Saikia Consultant Biochemist & Quality Head Dept of Laboratory Medicine Apollo Hospitals, Guwahati
17:10 - 18:30	PANEL DISCUSSION: Should clinical chemistry be made a mandatory inclusion in present curriculum of competency based medical education		Moderator: Dr Anindya Dasgupta Professor & HOD, Biochemistry Jhargram Govt Medical College, West Bengal

PANEL DISCUSSION I: DRY CHEMISTRY PLATFORMS: POTENTIAL BENEFITS VERSUS PROBABLE PITFALLS		
15:35 - 16:15	SESSION SPONSORED BY QUIDEL-ORTHO- OCD	
MODERATOR	Dr Rateesh Sareen Deputy Medical Director & Legal & Research Head & Consultant Pathologist, Santokhba Durlabhji Memorial Hospital, Jaipur	
PANELISTS	1. Dr Malavika Barman	Associate Professor, Department of Biochemistry, Gauhati Medical College & Hospital, Guwahati
	2. Dr Anumita Pushilal	Consultant Biochemist & Quality Head, Department of Laboratory Services, ILS Hospital, Dumdum, Kolkata
	3. Dr Kamna Singh	Associate Professor & HOD, Department of Biochemistry Sarojini Naidu Medical College, Agra, Uttar Pradesh
	4. Dr Dnyanesh Amle	Associate Professor Department of Biochemistry, All India Institute of Medical Sciences, Nagpur, Maharashtra
	5. Dr Charu Yadav	Associate Consultant & Quality Manager, Dept. of Biochemistry, Medanta-the Medicity
	6. Dr Ashish Gupta	Professor, Pathology and Central laboratory director, NIMS, Jaipur
PANEL DISCUSSION II: THE FORESEEABLE IMPACT OF THE ISO: 15189:2022 ON LABORATORY QUALITY: ARE ACTUAL SEA- CHANGES IN QA/QC LIKELY?		
17:10 - 18:30	INVITED GUEST SESSION	
MODERATOR	Dr Teresa Biswas Laboratory Director & Consultant Biochemist, Bioscan Diagnostics, Guwahati	
PANELISTS	1. Dr Avijit Saha	Associate Professor, Department of Biochemistry, Jalpaiguri Government Medical College & Hospital, Jalpaiguri, West Bengal
	2. Dr Santasmita Pal	Associate Professor, Department of Biochemistry, RG Kar Medical College & Hospital, Kolkata
	3. Dr Mrinal Pal	Associate Professor, Department of Biochemistry, Burdwan Medical College & Hospital, Burdwan, West Bengal
	4. Dr Ashvini Sengupta	Director of Lab Services, Medica Superspeciality Hospital, Kolkata
	5. Dr Sanjay Rathod	Professor, Department of Microbiology, Narendra Modi Medical College Ahmedabad, Gujarat

Day: 1 [03/02/2024] HALL B

PANEL DISCUSSION III: THE LABORATORY'S STAKE IN THE DISSEMINATION OF AWARENESS OF NEWER APPROACHES TO GLYCEMIC CONTROL: ROAD TO ACTUAL IMPLEMENTATION BY THE CLINIC

11:55 - 13:15	INVITED GUEST SESSION	
MODERATOR	Dr Monica Kakkar Additional Professor, Biochemistry, AIIMS Bathinda	
PANELISTS	1. Dr Tulikalipi Ghosh	Consultant Biochemist, Ruby General Hospital, Kolkata
	2. Dr Abhinav Manish	Assistant Professor, Department of Biochemistry, Gautam Buddha Chikitsa Mahavidyalaya, Dehradun, Uttarakhand
	3. Dr Sarbani Dasgupta	Consultant Biochemist, Apollo Multispecialty Hospital, Kolkata
	4. Dr Hilda Priya D'Souza	Professor, Department of Biochemistry, A.J. Institute of Medical Sciences, Mangalore, Karnataka
	5. Dr Jay Chordia	Consultant Endocrinologist, Department of Endocrinology, Paras Health Hospital, Udaipur, Rajasthan
	6. Dr Sandeep Kansara	Professor, Endocrinology, RNT Medical college, Udaipur, Rajasthan

PANEL DISCUSSION IV: SHOULD CLINICAL CHEMISTRY BE MADE A MANDATORY INCLUSION IN PRESENT CURRICULUM OF COMPETENCY BASED MEDICAL EDUCATION

17:10 - 18:30	INVITED GUEST SESSION	
MODERATOR	Dr Anindya Dasgupta Professor & HOD, Biochemistry Jhargram Govt Medical College, West Bengal	
PANELISTS	1. Dr Sherin Gogoi	Associate Professor, Department of Biochemistry, Dhubri Medical College & Hospital, Dhubri, Assam
	2. Dr Susmita Banerjee	Assistant Professor, Department of Biochemistry, Diamond Harbour Government Medical College & Hospital, Diamond Harbour, West Bengal
	3. Dr Shaikh Mohammad Khaliq	Professor & HOD, Department of Biochemistry, NSC Government Medical College & Hospital, Khandwa, Madhya Pradesh
	4. Dr Leena Appicatlaa	Head of Lab Operations, HCG Triesta Sciences, Bengaluru
	5. Dr Sucharita Mohanty	Professor & HOD, Department of Biochemistry, Bhima Bhoi Medical college & Hospital, Balangir, Odisha
	6. Dr Debapriya Rath	Associate Professor, Department of Biochemistry, Pt JNM Medical College Raipur, Chhatisgarh

Day: 2 [04/02/2024] HALL A

PANEL DISCUSSION V: THE BIOCHEMIST AS AN ENTREPRENEUR: A S.W.O.T. ANALYSIS		
12:30 -14:00	INVITED GUEST SESSION	
MODERATOR	Dr Sudip Dutta Additional Professor & HOD, Laboratory Medicine, AIIMS, New Delhi	
PANELISTS	1. Dr Suhas Chaudhari	Laboratory Director, Fernandez Hospitals, Hyderabad
	2. Dr Sangeeta Naorem	Associate Professor, Department of Biochemistry, Regional Institute of Medical Sciences, Imphal
	3. Dr Sukla Das	Laboratory Director & Consultant Biochemist, Downtown Hospital, Guwahati
	4. Dr Jyotirmayee Bahinipati	Professor, Department of Biochemistry, Kalinga Institute of Medical Sciences, Bhubaneswar
	5. Dr Ashwini Jantikar	Professor & HOD, Department of Biochemistry, American International Institute of Medical Sciences, Udaipur, Rajasthan
